

(Yeah baby when you see me coming
Yeah
Yeah you better run for cover
Yeah
Yeah coz you know when I find you
Yeah
Yeah I'm gonna be your lover) — 2
Tujhse log kahenge,
People will tell you
Na kar pyar mujhe
That you shouldn't love me
Main tho lakh bura hoon,
Because I have a hundred thousand vices
neend chura loon, hosh uda doon
I'll steal your sleep from you, and I'll make you lose your mind
Mein tho baho mein le ke
I will take you in my arms
Raah bhula doon, bath bana doon
I'll make you forget your ways, as I weave my words
Chahe jahaan dil ko chupa
Hide your heart wherever you may want to
Baathon hi baathon mein,
In this web of my words
do mulakaton mein le loon
It only takes meeting me twice, before I will have you (take you)
Baachna ae haseeno,
Beware gorgeous ladies!
Lo mein aa gaya
For here I come!
Hey baachna ae haseeno lo mein aa gaya
Beware all you gorgeous ladies, for here I come
Husn ka aashiq husn ka dushman
I am the lover of your beauty, and its enemy too
Apni ada hai yaaron se juda
My style and grace are different from the rest of the world's
Hey Ho!
Baachna ae haseeno lo mein aa gaya
Beware all you gorgeous ladies, for here I come
Hey baachna ae haseeno lo mein aa gaya
Beware all you gorgeous ladies, for here I come
Haaii haaii haaii haaii
Oh, Oh, Oh, Oh
(Yeah baby when you see me coming
Yeah
Yeah you better run for cover
Yeah
Yeah coz you know when I find you
Yeah
Yeah I'm gonna be your lover) — 2
Heyy
Tujko mein zaamane ke aage main
In front of the entire world I will
chedunga na chodoonga
Tease you, nor leave you alone
Aankhein churayegi bhi tho milaunga

Even though you may try and avoid me, I will still meet/follow you

Ja ja kya bahane banayegi

Go on, what excuses will you make

Dekhuga dil phenkunga

Neither will I look at you, nor will I throw you away

Jhootey mootey wade suna ke

With false promises I will

Fasaunga

Entice you,

Husn ka aashiq husn ka dushman

I am the lover of your beauty, and its enemy too

Apni ada hai yaaron se juda

My style and grace are different from the rest of the world's

Baachna ae haseeno,

Beware gorgeous ladies

Lo mein aa gaya

For here I come!
