

## Kaal

sherni yeh aankhen tumhari  
*Your eyes like that of a she-tiger*  
kya gazab hai pyari pyari  
*what wonders of beauty they are*  
makhmali yeh roop tumhara  
*your beauty and velvety body*  
aashiqui ban jaye humari  
*stirs a passion in me*  
pata pata daali daali sab karen yeh sawaal  
*every leaf, every branch, all ask this question*  
bekhabar is dhadkano ka pooch na tu haal  
*but don't ask this- about the state of my heartbeat*  
iss kaal kaal mein hum tum kare dhamaal – 4  
*It's the time for us to create a ruckus, here and now*

keep calling me baby  
keep telling me things i want to hear  
you want me to your lady  
i want you to know I'm always there

move it to the taal, taal  
*move it to the beat, the beat*  
right now its kaal kaal  
*right now is the time, the time - 2*

sona sona roop hai tera  
dil to tere naal hai – 2  
*your golden beauty has enslaved my heart*  
tanha tanha mushkilon mein  
*in my most lonely and difficult moments*  
bas tera hi khayaal hai  
*it is only you that I think of*  
dharti ambar chand tare  
*the earth, the skies, the moon and stars*  
sab rahe khushyaal  
*everything is in a state of bliss*  
sardiyon ki dhoop ho tum  
*you are the warmth of sunlight in winter*  
rab ka hai yeh kamaal  
*you are an intrigue from god*  
is kaal kaal mein hum tum kare dhamaal – 4  
*It's the time for us to create a ruckus, here and now*
