

--MALE-- Koi kahe, kehta rahe kitna bhi humko deewana - 2

**If someone talks, let them call us crazy**

Hum logon ki thokar mein hai yeh zamaana

**The world is at our feet to kick**

Jab saaz hai, aawaaz hai, phir kis liye hichkichaana - 2

**When there is music and voice, then why hesitate?**

Oh, gaayenge hum apne dilon ka taraana

**Oh, we will sing our heart's song**

Bigade duniya, bigadne bhi do

**If the world gets upset, let it get upset**

Jhagade duniya, jhagadne bhi do

**If the world fights, let it fight**

Lade jo duniya, ladne bhi do, hum apni dhun gaao

**If the world wars, let it war, let us sing our tune**

Duniya roothe, roothne do

**If the world sulks, let it sulk**

Bandhan toote, tootne do

**If ties break, let them break**

Koi chhoote, chhootne do, na ghabraao

**If someone separates, let them separate, don't fear**

Hum hain naye, andaaz kyon ho puraana - 2

**We are new, why should our style be old?**

Aankhon mein hain bijliyaan, saanson mein toofaan hai

**In our eyes are lightning bolts, in our breath is a storm**

Darr kya hai aur haar kya, hum isse anjaan hai

**What is fear and what is defeat, we are unaware of them**

Hamaare liye hi to hai aasmaan aur zameen

**For us alone are the sky and earth**

Sitaarein bhi hum tod lenge, hamein hai yakeen

**Even the stars we will break down, we trust this**

Ambar se hai aage hamaara thikaana

**Beyond the sky is our place**

Hum hain naye, andaaz kyon ho puraana

**We are new, why should our style be old?**
