

Kya maine socha, aur kya hua  
*What was I thinking, and what happened*  
Kya dil ne chaaha, aur kya mila  
*What did the heart wish for, and what did it get*  
Ab jeet kaisi, aur haar kya  
*Now what is the victory, and what is the defeat*  
Kispe bharosa, aitbaar kya  
*On whom should I place my faith, what is belief*  
Phir bhi dil mein aas hai  
*Even then, there is hope in the heart*  
Aankhon mein talaash hai  
*Searching within the eyes*  
Tum jo saath ho,  
*As long as you are with me*  
Ek subaah aayegi, roshni jo laayegi ho  
*Morning will come, and we'll bring the illuminating light*  
Ab ki jo raat ho  
*For whenever the night comes*

One love, har tan kahe  
*One love, the heartbeat says*  
One love, mil kar rahe  
*One love, we should continue to have*  
One love, ik aasmaan haan ik jahaan  
*One love, one sky—yeah—one world*  
One love, naya josh hai  
*One love, is new excitement*  
One love, nayi soch hai  
*One love, is a new thought*  
One love, hamein hai yaqeen  
*One love, we are sure*  
One love is all we need

It's late at night I'm still wide awake  
Think this is far more than I can take  
I thought my heart could never break  
Now I know that's one big mistake

I refuse to give up, I refuse to give in  
You're my everything  
I don't wanna give up, I don't wanna give in  
Your love... everybody sing

One love, for the mother's pride  
One love, for the times we cried  
One love, got to stay alive,  
I will survive  
One love, for the city streets  
One love, for the hip hop beats  
One love, for I do believe  
One night is all we need

One love, har tan kahe  
*One love, the heartbeat says*  
One love, mil kar rahe  
*One love, we should continue to have*  
One love, ik aasmaan haan ik jahaan  
*One love, one sky—yeah—one world*  
One love, naya josh hai  
*One love, is new excitement*  
One love, nayi soch hai  
*One love, is a new thought*  
One love, hamein hai yaqeen  
*One love, we are sure*  
One love is all we need
