

lo aa gayi loDi ve (aaha!)
the LoDi festival is here
Bana lo jodi ve (aaha!)
Become a couple with the one you love
Kalaayi koyi yun thaamon, na jaave chhodi ve
Grab the wrist of your beloved and never let it go
Na jaave chhodi ve
Never let it go
Jhoothh na boli ve, (oho!)
Don't tell lies
Kufar na toli ve, (oho!)
Don't give me your big talk
Jo tune khaayi thi kasmein, ik ik todi ve
Every oath you make to me, you break every one...
Ik ik todi ve
you break every one...
