

Theek hai theek theek sab kuch theek hai
Everything is fine, everything is just right
Paas hai sab kuch rab nazdeek hai
You have everything when God looks upon you
Hey Rab ke hazur mein kasm mein bhi kha li
We kept the promises we made to God
Duniya ki auni pauni rasmein nibha li
We followed the rules of the world

Phir bhi na maane koi to dafa kar
If people still have a problem, avoid them
Maane jo maane na maane to bhala kar
If they accept, fine, if not it's ok too
Duniya na maane khasma nu khaye
If the world doesn't care, dont sweat it
Khasma nu khaye marjaani
They can go to hell

Haaye Marjaani marjaani
The hell with them
Marjaani marjaani, Marjaani marjaani
Oye khasma nu khaaye marjaani
They can go to hell

Haye khayal bhi jaane kya kya
So many thoughts, thoughts,
Sochata rehta hai ga uff
I keep thinking (in circles)... ugh!
Ki nochta rehta hai ga
And gnawing at me

HEY! Tu mud ke dekha na kar
Don't look back now
Jo sar mein soch aayegi
If you get thoughts in your head
To paun mein moch aayegi
You'll get cramps in your feet (You'll be crippled by it)

Uth uth ke raathon mein dard yeh paala hai
I've nursed this pain through many sleepless nights
Andhi jawani mein dard ek chaala (blister) hai
It's like an open wound pricking my youth

Dil tera na rogi baliye
Your heart is not sick, love
Dil tera na jogi baliye
Your heart is not a saint either, love
Dil tera sansari hai ga
It's human
Lage dil ko beimaani
It can feel betrayed

CHORUS

Haan chalo ab door yahan se
Let's go somewhere far away
Paahadon se bhi aage woh
Beyond the mountains
Jahan par subah jaage
Where dawn awakens

Ho bade sab kehte hain yeh
Elders always say
Chuno acche humsaaye
Choose the right life partner
Samajh ke jo samjhaye
One who is understanding and that you understand

Ro ro ke raathon mein ankhein bhi khali ki
I cried my heart out till my eyes were empty
Likh likh ke taarikhen diwarein kaali ki
I wrote dates on the door till they ran black

chup kar chup chup kar baliye
Calm down love, hush now!
Bhaag le chup chup kar baliye
Run away quietly, love
Duniya se bhage duniya mein
Run away from the world, into the world
Duniya ko hui hairaani
So the world gets confused

CHORUS
