[and we twist we twist
we twist we twist
and we twist we twist
we twist we twist] - 2

wicked shicked si duniya challe
This wicked world runs
pher vi jhalle
And yet us silly senseless simpletons
balle balle ho gayi...
We go Balle! Balle!
haan... ho gayi
Oh yeah! We go...
ho.. hanshi khushi mein
O! Amidst happiness and joy
gham ki guddi
The cart of sorrow
hawa mein
In the air
uddi woh kata lo
Flies away away, look!
kho gayi
And it's lost
haan kho gayi..
O yes, it's lost
ho ho..
O! o!
chhodo chhodo sab rone dhone
Stop now, Stop now, all your crying
chodo chodo dukh aadhe paune
Leave behind, leave behind, sorrows that are a half and a quarter
dekho dekho din sohne mone
Look, o look, these days are bright
yahi life ki gist
This is the gist of life!

[and we twist we twist
we twist we twist
and we twist we twist
we twist we twist] - 2

Well be singing dancing hot romancing
Masti all the time
Fun all the time
Any season need no reason
For some place n feeling fine
Heres the party, everybody
Move your body
Shake shake
Break your body
Get down on it
Let the music play

sohne mone mallo malli
These pretty faces, slowly and surely
kar gaye talli
Have made me drunk
aankh waankh si lad gayi
Our eyes seem to have met
haan lad gayi
O yeah! They've met
botal shotal khole bina
Without having to open a bottle
daru sharu bin peete hi
Without having to drink alcohol
chadh gayi
I'm feeling top of the world
haan chadh gayi
Yes, I'm on top of the world
ho ho..
O!o!
dekho dekho sab ghoom raha hai
Look, o look, everything is spinning
dekho dekho jag jhoom raha hai
Look, o look, the world is swaying
yahan wahan dil dhoondh raha hai
And my heart is searching everywhere
ab khushyion ki list
Now the list of happiness

everybody in spot tonight
