

Wanna naach all night (2)
Do you feel alright? Wanna naach all night

*Dance with me baby, wont you dance with me all night
Won't you party-party-party, wont you run the floor all night*

pyaare pyaare lamhe, pyaari pyaari baatein
lovely lovely memories, lovely lovely words
sapno ke din hain, sapno ki raaten
dreams of the daytime, dreams of the night

ho goonjen hai dil ke taraane
the melody of the heart echoes
bajne hain geet suhaaneh
the breezy song of the soul
behke hai saare deewane
all the crazy ones sway to the music
toh nach le nach le all night
so let's dance, dance all night!

where's the party tonight
somewhere down the road
where's the party tonight
on the dance floor
oh sapno ke din hain, sapno ki raatein
dreams of the daytime, dreams of the night

where's the party tonight
Dance with me baby, wont you dance with me all night
Won't you party party party, wont you run the floor all night
