

You Are My Soniya

--MALE--

Hey, eh eh eh hey
Dekha tumko jab se, bas dekha tumko yaara
Ever since I saw you, I've only seen you
Yea, dekha tumko jab se, bas dekha tumko yaara
Ever since I saw you, I've only seen you
Tumse koi achha hai na tumse koi pyaara
There is no one better nor more loveable than you
Yun nazre na phero tum, mere ho mere tum
Don't turn your gaze like that, you are mine
Keh do na, keh do na, you are my soniya
Won't you say, won't you say, "you are my soniya"
Hey, keh do na, keh do na, you are my soniya
Won't you say, won't you say, "you are my soniya"

--FEMALE--

Hey, aa aa aa ha
Dekha tumko jab se, bas dekha tumko yaara
Ever since I saw you, I've only seen you
Tumse koi achha hai na tumse koi pyaara
There is no one better nor more loveable than you
Yun nazre na phero tum, mere ho mere tum
Don't turn your gaze like that, you are mine
Keh diya, keh diya, you are my soniya
I have said, I have said, you are my golden one

--MALE--

Teri mohabbat mein yeh dil deewana hai
In your love my heart is crazy
Is mein hai meri kya khataa
In this what is my fault

--FEMALE--

Haan, yeh dil churaane ka achha bahaana hai
Yes, that's a good excuse for stealing a heart
Mujhko hai pehle se pataa
I've known it all along

--MALE--

Milne mein humko kitne barson lage hai yaara
So many years it's taken for us to meet

--FEMALE--

Aisi khushi ke pal to phir na aaye dobara
This sort of happy moment will not come again

--MALE--

Aisi khushi mein yaara yeh nasha kya kam hoga
In such happiness, how will this intoxication diminish?
Keh do na, keh do na, you are my soniya
Won't you say, won't you say, "you are my soniya"

--FEMALE--

Hey, keh diya, keh diya, you are my soniya
I have said, I have said, you are my golden one
