

## Aisa Jadoo

kaaisa jaaduu Daalaa re kaaisa kaaisa kaaisa	<i>What sort of spell has been cast over me?</i>
aisa jaaduu Daala re...	<i>Such as spell has been cast...</i>
surma'ii hai ujaala re aisa jaaduu Daala re	<i>The brightness is dark, such a spell has been cast!</i>
jo merii zulfo.n se khele re	<i>Someone who will play with the locks of my hair,</i>
baaho.n me.n mujhko le le re	<i>who will take me into his arms —</i>
aisa hai koi dilvaala re...	<i>does such a valiant lover exist?</i>
aa'ii re mai.n aa'ii aa'ii	<i>Here I come,</i>
mastii banke chhaa'ii chha'ii	<i>engulfing everyone in the spirit of merrymaking.</i>
hosh kisii ko na aa'e re	<i>No one should come to his senses!</i>
miiTHa zahar chhalkaa'e re	<i>A sweet poison overflows —</i>
aisa labo.n ka yeh pyaala re...	<i>such is the cup of my lips.</i>
aisa hai koi dilvaala re...	<i>does there exist a brave enough lover for me?</i>
dhiire dhiire haula haula...	<i>Slowly, gradually,</i>
mera dil bhii Dole Dole	<i>my heart also begins to dance.</i>
shole ke jaisaa bhaRkegaa	<i>Like a flame he will ignite me,</i>
saarii umar voh taRpega	<i>and for the rest of my life, will tease and torture me;</i>
aisa jiya ko hai uchhaala re	<i>thusly will he overturn my life.</i>
aisa hai koi dilvaala re...	<i>Does there exist such a valiant lover?</i>
