

o haseena, o neelampari, kar gayi kaisi jaadugari

Oh beautiful one, oh sapphire-blue fairy, how did you do such magic

neenden aankhon se cheen li hai, dil mein bechainiya hai bhari

You have stolen the sleep from my eyes, my heart is full of anxiety

main bechara hoon awaraa bolo samjahon main yeh abb kis kis ko

I am a poor soul, helplessly wandering, tell me now who can explain this

dil mein mere hai dard-e-disco, dard-e-disco, dard-e-disco - 4

My heart is pounding with disco-pain, disco-pain, disco-pain

ohh fasale gul thi, gulposhiyon ka mausam tha

there were fields covered with flowers as springtime came

hum par kabhi sargoshiyon ka mausam tha)

We would sit together and whisper, in that season

kaisa junoon, khwaabon ki anjuman mein tha

There was so much passion in that world of my dreams

kya mein kahoon, kya mere baagpan mein tha

What can I say, what was there in my dreams and my mind?

ranish ka chala tha...fhobwara,

Then suddenly hatred gushed out like a fountain

phoota jo khwaab ka... goobbara

it popped my dreams like a bubble bursting

abb phirta hoon mein, london, paris, new york, LA, san francisco

now I roam around: london, paris, NY, LA, San Francisco
