

Chhote chhote sheheron se
With this tiny tiny city
khaali bored opehron se
totally bored out of my mind
hum to jhola uthake chale
let's pick it up and go

baarisht kam kam lagti hai
the rain falls a little at a time
nadiyaa madham lagti hai
the river flows on
hum samandar ke andar chale
let's go jump in the sea

hum chale hum chale oye ramchandre
let's go, let's go, oh god
hum chale hum chale oye ramchandre
let's go, let's go, oh god

dhadak dhadak dhadak dhadak
(rhythmic sound, in this case probably the train going clickety-clack)
dhooan udaye re
smoke is rising
dhadak dhadak dhadak dhadak
seeti bajaye re
blow the whistle
dhadak dhadak dhadak dhadak
dhooan udaye re
the smoke is rising
dhadak dhadak dhadak dhadak
mujhe bulaye re
it's calling out to me
