

Dil Dooba, dil dooba neeli aankhon mein yeh dil dooba *My heart drowned, drowned in your blue eyes.*

Mehbooba mehbooba bas ye jaan le mehbooba *Lover, lover, just know this, lover;*

Dil Dooba, dil dooba neeli aankhon mein yeh dil dooba *my heart drowned, drowned in your blue eyes.*

Mehbooba mehbooba bas ye jaan le mehbooba *Lover, lover, just realize this, lover!*

Aashiq hoon diwaana hoon, tere liye kuch bhi kar jaaonga *I'm your lover, I'm mad for you, I'd do anything for you.*

Ishq mein tere jeetha hoon, tere liye hi marr jaaonga *I live for your love; I could die only for you.*

Mein tere jhaansi, mein na aaonge, o re diwaane jaa kyon *I won't fall for your tricks; off with you, madman!*

Aisi vaisi banaake baatein mujhe naa tuu uljha *Why?*

loot jaaonga mitt jaaonga dil tera jeetke dikhlaonga *Don't try to confuse me with such sweet talk.*

peechha na chhordoonga chaahе jitna tarrpa *I'll be ruined, I'll be destroyed; when I win your heart, I'll show it off.*

Dil Dooba, dil dooba neeli aankhon mein yeh dil dooba *I won't stop following you no matter how much you torture me.*

Mehbooba mehbooba bas ye jaan le mehbooba *my heart drowned, drowned in your blue eyes.*

Aashiq hoon diwaana hoon, tere liye kuch bhi kar jaaonga *Lover, lover, just realize this, lover!*

Ishq mein tere jeetha hoon, tere liye hi marr jaaonga *I'm your lover, I'm mad for you, I'd do anything for you.*

Ishq mein tere jeetha hoon, tere liye hi marr jaaonga *I live for your love; I could die only for you.*
