My golden golden companion
Go balle balle balle balle balle balle
kar mere naal ikraar
Promise you have the same affection for me
Go balle balle balle balle balle balle
Mere sone sone yaar, kar mere naal ikraar
My golden golden companion, Promise you have the same affection for me
Mujhe tumse ho gaya pyaar, go balle

Tere ilawa, ilawa, ilawa lage na dil
On top of that, my heart is drawn closer to you
Lag di jhalawa, jhalawa, jhalawa mujhe mehfil
More than that, I am so obsessed, I celebrate it.
Tere ilawa, ilawa, ilawa lage na dil
On top of that, my heart is drawn closer to you
Lag di jhalawa, jhalawa, jhalawa mujhe mehfil
More than that, I am so obsessed, I celebrate it.
Tu jaan le itna yaar, tujhe chaahoon beshumaar
Take as much of my life as you want, darling, I want to lose track of exactly how much
Mujhe tumse ho gaya pyaar, go balle
I have fallen in love with you,

Go balle balle balle balle balle balle
Go balle balle balle balle balle balle
Go balle balle balle balle balle balle
Go balle balle balle balle balle balle
