

dil da mamla hai dilbar
It's a matter of love
hone na zor hai is dil par
My heart is no longer in my control
khalbali hai dil ke andar
My heart is beating faster than ever
ho mast, mast kalandar (x2)
Enjoy it to the max, have a king-sized good time

maste, maste, maste, maste
mast kalandar
maste, maste, maste, maste
mast kalandar (x2)
enjoy it to the max, have a king-sized party

meri nazar jo...
when my gaze
tujhpe paree to...
took in the sight of you
mann mein tha, tera sedhaiyi
my heart immediately fell (for you)
betaabiyon ko...
my anxiety and nervousness
raahat mili to...
subsided from there
door hui,meri tanhaayi
my loneliness went away

mere rang ka
the color of my love
tere roop ka
and your beauty
hai aasar tere hi surroor ka
it's the intoxicating effect you have
mere haal se
of my condition
mere dard se
of my pain
tu hai bekhobar
you are totally unaware

oho!
