

Dil hai mera deewaana kya  
What is this crazy heart of mine  
Kehta hai ab ghabraana kya  
It says what is there to fear now?  
Taal pe jab jhoomo badan  
When I sway on the beat  
Hichkichaana sharmaana kya  
What is there to be shy about or hesitate for?  
Khulke jhoomo, khulke gaao  
Let's dance, let's sing  
Aao aao yeh khulke kaho  
Come, come, let's all say it:

It's the time to disco - 2

Kaun mile dekho kisko  
Who might you meet? Who will you see?

It's the time to disco

Dil hai mera deewaana kya  
What is this crazy heart of mine  
Kehta hai ab ghabraana kya  
It says what is there to fear now?  
Taal pe jab jhoomo badan  
When I sway on the beat  
Hichkichaana sharmaana kya  
What is there to be shy about or hesitate  
Khulke jhoomo, khulke gaao  
Let's dance, let's sing  
Aao aao yeh khulke kaho  
Come, come, let's all say it:

It's the time to disco - 2

Kaun mile dekho kisko  
Who might you meet? Who will you see?

It's the time to disco

Balkhaata hai badan aisi jo taal hai  
Bodies moving like this, to the beat  
Saanson mein chalti hain aandhiyaan  
Being carried away on the breath of a storm  
Bahekaata hai yeh mann ab to yeh haal hai  
Masti mein khoje hain hum yahan  
We are lost, drowning in our happiness and excitement

O tum bhi khoke mast hoke  
Lose yourself, have a blast  
Koi toke to khulke kaho  
Tell the one who makes you crazy:

It's the time to disco - 2

Keh do milo jis jisko  
Tell it to everyone you run into:  
It's the time to disco
